COMMENTS FROM THE TOWN MANAGER'S OFFICE

The gravel application on the Chapman Road is about half done. The work was stopped for three days because of equipment repairs. The loader was down for three days and now one truck is down. It will take a few days to complete the job after the equipment is restored to running condition.

The payment of taxes has continued at a very good rate. The payment of 1965 taxes for the last week amounted to \$6,619.15. The rate of payment usually slows down about two weeks after the tax bills are mailed. Another factor is the unusually large number of taxpayers making partial payments. Several of the taxpayers who waited until December to pay their taxes last year have paid either part or all of their tax for this year.

Many people have expressed concern about the amount of vehicular noise around town this past month. The noise is made in several ways. The main ones are spinning tires, loud mufflers and racing the motors of motorcycles and other two wheeled vehicles. The selectmen have talked with members of the state, county, and local law enforcement agencies. It seems that the town does not have the proper ordinances to control the excessive noise. A member of one of the enforcement agencies got a copy of the ordinance of the town of Rumford. The selectmen will include the ordinance in the warrant for the special town meeting.

If anyone has any other suggestions on controlling the excessive noise, it should be proposed to a law enforcement officer or to the Town office. Some citizens have offered their unqualified support. I feel quite sure that there is enough public interest and public support to remedy the situation.

I would like to make it clear that this is not a campaign against any type of vehicle or group of people. I believe the key to the problem is excessive and intentional noise. I certainly hope that persons who ride or drive their vehicles in a normal manner will not be affected by the proposed ordinance.

Paul Yachon and Randy Chretien are attending the University of Maine. Jimmy Davis is enrolled at Northeastern Conn. University of Music, Bangor. All are 1965 graduates of Gould.

Mr. and Mrs. Irving Brown, Kathleen, Carol, Robert, Mrs. Albert Smith, Sandra, Charles, Alice and Brenda, climbed Mt. Spurr on Monday. They reported good hiking on the trail.

On Sunday, Sept. 5, Father Nelson announced the fall and winter schedule of Sunday services at the Chapel of Christ the King beginning on Sunday Sept. 12. The Sunday Holy Eucharist will be celebrated at 9:15 a.m.

NATIONAL RACE AT OXFORD PLAINS TRACK SUNDAY, SEPT. 26

The biggest racing event ever to be held before Maine stock car fans has been scheduled for Sept. 26 at the Oxford Plains Speedway. A \$10,000 plus purse will be the attractive lure to 33 of the top drivers in the United States and Canada at the first annual 100 Mile National Championship Modified and Stock Car Race.

Arrangements for the racing classic were recently made by Bob Bahre, Speedway owner, and Pat Percell, executive vice president of NASCAR from Daytona Beach, Fla.

Sanctioned by NASCAR, the championship event will cover 300 laps and include pit stops for tire changes and refueling and the utmost in racing strategy by both drivers and mechanics in order to keep pace in the highly skilled entry field.

The Speedway which has already shattered all State attendance records is expected to offer New England auto racing fans the closest thing to the Indianapolis 500. The only National Championship race set for New England will offer the winner \$2,500.

Time trials will begin at 12 noon when drivers will race the clock in order to qualify for one of the 33 spots available for the main event. A consolation run will precede the championship race and will allow the top three finishers to qualify.

Competition is open to all tracks and organizations whose

LAW DEFINITE ON PASSING OF SCHOOL BUSES

The State Police point out that the law is very definite concerning the passing of school buses.

The law reads, in part: "The driver of a vehicle upon meeting or overtaking from either direction any school bus which has stopped for the purpose of receiving or discharging any school children shall stop his vehicle before passing such school bus and shall not proceed until such school bus resumes motion or until signaled by the school bus driver to proceed."

"Violation of this law not only makes the driver liable under the law," continued the enforcement group, "it also greatly increases his chances of becoming involved in that most tragic of all traffic accidents—the death of a child."

"Remember," concluded the State Police, "a stopped school bus, loading or unloading children, means—STOP!"

Among those at Small Point during the week end were Mr. and Mrs. Harold Rolfe, Maryvonne and Phillip, Mr. and Mrs. Ronald Stevens and Rhonda Parker.

entries make the qualifying restrictions.

The 13,000 seating capacity at the Speedway, largest in the State, will allow a record attendance. Information on advance ticket sales will be announced in the near future.

ALL INTERESTED IN CUB SCOUTING TO MEET SEPT. 10

A Cub Scout meeting will be held at 7:30 p.m., Sept. 10, in the dining room of the Methodist Church. To be eligible for Cub Scouting, a boy must be eight, nine or ten years of age. If you are interested in becoming a Cub, please attend this meeting WITH YOUR PARENTS. Registration will be taken at this time. For further information, or persons wishing to help on this worthy program, please contact Don Walker.

The Methodist Church has agreed to sponsor the Cub Scouts for at least one year. This does not make this a Methodist organization—all boys may join and all parents may help.

John H. Enchus, District Scout Executive, will speak at this meeting, explain Cub Scouting and help organize the Pack. If there is to be a good Cub Scout Program, it must be started immediately. Anyone interested please attend this meeting.

The following people have already agreed to work on this program: Don Walker, Ronald Stevens, Guy Parker, Richard Blake, Jr., Marilyn Parker, Gwen Stecher, Ginny Walker, Phyllis Blake, Polly Brown, Joan Howe.

BETHEL AUTO ACCIDENT INJURES AUBURN MAN

Conrad E. Couture, 25, of Auburn, was treated at a Norway hospital for a laceration on the forehead following an accident on Route 2, about one and a half miles west of Bethel village, Wednesday.

According to State Trooper Victor Greenleaf, Mr. Couture was headed toward Bethel when his car skidded off the road after hitting a patched area of the highway.

The car sustained extensive damage to the front end and undercarriage as it passed over a stump, snapped two cables of a utility pole and came to rest against a tree.

He was released from the hospital after treatment.

Assisting at the scene was Deputy Sheriff Alton Howe.

Mr. and Mrs. Richard Davis spent the week end at their cottage, South Harpswell. They had as guests, Mr. and Mrs. Alfred McKenzie, of Lynn, Mass. Roger Conant formerly of South Paris, is now employed at the Bethel Branch of the Chase Bank and Trust Co. He was formerly at the South Paris Branch.

CRESCENT PARK SCHOOL ADDS TWO TEACHERS

Two new teachers joined the faculty at Crescent Park School this fall. They are Mrs. John Tebbets of Bethel and Leonel L'Heureux of Auburn.

Mrs. Tebbets will teach reading and literature in grades seven and eight. Mrs. Tebbets has done graduate study at Gorham State Teachers College recently. She holds a bachelor's degree in music education from Oberlin (Ohio) College, and has taught music in public schools.

She has a son and daughter, both students at Gould Academy. With her husband and children, she makes her home on Eden Lane.

Mr. L'Heureux will teach science in grades seven and eight. He is a 1963 graduate of Farmington State Teachers College, transferring to that school after study at Wentworth Institute, Boston. He has been a laboratory assistant to Prof. Bigelow at Farmington, and did practice teaching in the Ingralls School, Farmington.

Two temporary teachers will relieve regular teachers who are on sick leave in the elementary grades. During the fall term, Mrs. Stanley Davis will take classes of Mrs. Mary Jane Gaudreau, grade one at the Bethel Bible School. Mrs. Francis Berry will substitute for Mrs. Ruth Hastings, in grade five at Crescent Park School.

UPTON

— Mrs. C. A. Juddins, Cor. —

Fred S. Juddins II won second place in the 5-mile road race at Bangor on Monday of this week.

Nearly all of the summer residents have returned to their homes in the city.

Several of the Pollard families of Casco spent the holiday at their Back Street camps.

"Buddy" Christian, with a large crew of friends and relatives, spent the week end at his camp on East B Hill which he recently bought of Clyde Cross.

Clyde Cross has bought a lot on the southerly side of Route 26, near the N. H. border. On Monday this week he had a back-hoe there clearing the land, ready to build.

Mr. and Mrs. Earle Foss of Oxbrook called on friends in town last Saturday.

Mr. and Mrs. Sidney E. Abbott, Jeannie and Faith, of East Sumner; Mr. and Mrs. Bernal Tripp and Jeffrey of Gorham, Maine, were guests of Mr. and Mrs. C. A. Juddins on Saturday last week. They also dug potatoes and picked blueberries.

Fred Juddins is building a garage across the road from his store.

Arlene Bernier gave a personal shower for Mrs. Fred S. Juddins II at the home of Jennie Juddins on Thursday last week. Those attending were Arlene Bernier and two daughters, June Tuominen and three daughters, Ben Juddins, Miss Judy Juddins, Virginia Williamson, Elsie Fuller, the guest of honor, Mrs. Judy Juddins, and the hostess. Games were played including an auction, and refreshments served. Mrs. Juddins received several nice gifts and gifts of money. Mrs. Bernier also had an Artex Paint Party during the afternoon and the hostess gift from that will go to the guest of honor.

Miss Velora Douglass and Nelson Douglass have gone to Fryeburg where they will enter Fryeburg Academy as freshmen.

Roger Speer of Detroit, Maine, returned Sunday to the home of Fred Juddins, where he boards during the school year. He took up his duties as principal of the Errol school, beginning Tuesday of this week.

There are no pupils to be transported this year. Magel Goodrum is boarding with her sister, Rosemary Bernard, in Gorham, N. H., and attending

Berlin High School. Melody Goodrum is boarding with her brother, Horace Goodrum, Jr., and attending grade school in Gorham, N. H.

Word has been received here of the death in Rumford of William Barnett, a former resident of Upton.

Mrs. Arlene Bernier has a

rent in Hanover for the school year. Her four children will attend school in Rumford. They will all spend the week ends at home in Upton.

Mrs. Lila Barnett has finished work at the Red Spot Fishing Club and returned to her home in Errol, N. H.

Mr. and Mrs. Carl Fickett of

WEST GREENWOOD

Mrs. P. W. Croteau, Corres.

Mrs. Charles Mason and children visited Mrs. Stanley Wilson one day last week.

Mrs. Georgia Mason and Mrs. Myra Jordan of Locke Mills

Oxford spent the week end at their camp on Back Street.

were callers at Mrs. Stanley Wilson's Saturday afternoon.

Eddie Deegan was the guest of Terry Wilson the last week end in August.

Mrs. Julia Moore of Norway was a recent guest of Mrs. Amy Bunker.

Mr. and Mrs. Alden Wilson and Terry were callers at Gay-

den Davis, West Paris, Sunday. Mr. and Mrs. Vernon Brown of Norway were recent callers at Joe Deegan's.

Clayton Mills and son, Burton, called at Mrs. Amy Bunker's, Saturday evening.

Mr. and Mrs. Alden Wilson and Terry were in South Waterford, Monday.

Report to MAINE

Senator Z. J. Quinn

This summer's drought has caused in many sections of New England. But the drought has spotlighted our growing and vital need for water. The necessity of improved water facilities and pollution abatement has been widely recognized.

I am grateful to report that an amendment of mine to the recently enacted Housing bill will attack both problems.

The amendment provides \$700 million over four years to assist communities to improve water and sewer facilities. The money is available on a 50-50 matching basis.

The new approach is superior to the Community Facilities Program. The new program provides much more money on a grant basis. The old program provided only loans.

During Coast-to-coast hearings by my committee on Air and Water Pollution I learned that there is an urgent need for a much more ambitious program for water and sewer facilities. Our cities just haven't been able to keep pace with these needs.

I am hopeful that my amendment will provide the means and the incentive to meet these needs. All communities are eligible to take advantage of the new program. I urge Maine communities to do so.

In the area of economic development, six other New England senators and myself have asked Commerce Secretary John Connor to take prompt steps to initiate a Regional Planning Commission for our six state regions.

My request was mailed to Sen. Connor this week immediately after President Johnson signed the bill enabling creation of Regional Planning Commissions. The name of the bill is the Public Works and Economic Development Act of 1965.

Under the Regional Planning Commission of the bill, it is now possible for New Englanders to design a program for economic growth and stability similar to steps to the Appalachian Program.

The idea is to stimulate public and private efforts to develop and utilize all our human, natural and economic resources. Initiation of this program requires designation of New England as a Regional Development Area. This is what we called Secretary Connor to do.

It is our intention that New England be the first region to receive the benefits from the new legislation. We intend to pursue each additional step needed to designate New England as a Regional Development Area.

Under the program, the plan developed for New England would be submitted to the Commerce Secretary and then to the President. The President then would ask Congress to implement the plan.

New England is one of five regions in the Nation which would qualify for action under the bill.

The areas of us who wrote Secretary Connor played our cooperation and assistance to developing the regional program for New England.

Signers of the letter were Sen. Judd and I, and Hon. J. J. Conant, Secretary of Maine, Hon. J. J. Conant, Secretary of New Hampshire, and Hon. J. J. Conant, Secretary of Rhode Island, and myself.

Other provisions of this legislation expand and strengthen

the Area Redevelopment Program.

Our Dickey-Lincoln School power project on the St. John River is a big step nearer reality. In a key decision, the House Public Works Committee voted to keep Dickey-Lincoln School in the Omnibus Rivers and Harbors Bill. Each of the five power projects in the bill must be voted upon separately.

The Committee's decision was crucial in our efforts to lower power costs in Maine and New England, and to preserve the Allagash Region. The decision is a great victory for the people of Maine and New England.

Maine and New England can be especially grateful to President Johnson who has given Dickey-Lincoln his full support. We can be grateful to Congressmen Robert E. Jones of Alabama and John A. Blatnik of Minnesota. Both championed our cause before the committee.

I will continue to report on the progress in the House of the bill authorizing Dickey-Lincoln School. The bill already has passed the Senate.

In other recent news, it was a pleasure to announce that the Small Business Administration has approved a \$200,000 loan to Knox Pier Incorporated for reconstruction of a feed grain mill for the Knox-Lincoln Farming Cooperative.

The loan also puts into motion plans approved some time ago for construction of an ocean large terminal to service the grain mill. The terminal and grain mill are known as phase one in the Knox Pier Project to construct a deepwater port at Rockland.

Phase two would be construction of a ferry terminal for a proposed seasonal ferry route to New England from Rockland. In the first phase, the feed grain mill would serve the poultry industry in the coastal and central sections of the state.

The Rockland business community has been dreaming of and planning the development of its port for more than a year and a half.

I commend Rockland for its imagination and initiative in cooperation with local government programs like the SBA, can reap substantial dividends.

I have been delighted to be able to work with Rockland and the SBA in helping achieve their dreams so far. I look forward to being able to help in future programs.

Maine's apple and potato crops face very much in the same fate. I was gratified that later Secretary Willard Wirtz after due consideration ruled that 225 Canadian apple pickers and 4,500 Canadian potato pickers can enter Maine to help harvest the crops.

I am hopeful that his decision proves reasonable, and I stand ready to give further assistance to Maine's apple and potato farmers, if further help is needed.

In my discussions with Secretary Wirtz, I found that he shared our concern for harvesting our apple and potato crops. At the same time, I share his concern for giving unemployed American workers every opportunity to find work.

With this in mind, I urge Maine's apple and potato farmers to continue sincere efforts to recruit unemployed Americans to harvest our crops. I think it is our job to show concern for the national interest, which is to keep as many Americans at work as possible.

The Week in Oxford County

Frances Ginsberg, R. N., consultant in Asbestos Practice from the Bingham Associates Fund, New England Center Hospital, Boston, made her annual visit to Ramford Community Hospital, Sept. 1. She conferred with Herbert L. Burger, hospital administrator, Mrs. Virginia Bandy, R. N., director of nurses, Albert P. Royal, Jr., M. D., chief of medical staff, and key hospital personnel.

Wayne Jackson, South Paris, a service forester, reports that a crew averaging 50 boys in a job corps activity in Hebron have brushed out three roads a total of one and a half miles, close to all in fire protection, cleared boundary lines, pruned crop trees and destroyed undesirable trees. This was a three week program planned by Maine Forest Service supervisor of forest management, W. Robert Dimeen. The boys were enthusiastic over the work opportunity. They worked five eight hour days each week.

The 16th annual long service banquet for the Oxford Paper Company's 40 and 25-year clubs will be held at the Ramford Community Hospital, Sept. 23. It is expected that about 50 new members will join the two clubs at this time.

Oxford County Economic Opportunity Council President Samuel H. Tomberlin of Bethel has announced the services of Arthur N. Goss, Jr., of New York, as executive director of the county's federal SWPC.

\$34.3 MILLION IN ROAD CONTRACTS AWARDED BY SHC DURING FISCAL 1965

The State Highway Commission reports that the total value of the contracts awarded for highway and bridge construction in Maine during fiscal 1965—July 1, 1964 to June 30, 1965—amounted to \$34,313,236.53.

This represents the highest total value of contracts ever awarded by the Commission in any one fiscal year. In fiscal 1964 the SHC awarded contracts totaling \$25,506,604.65.

The increase is reflected in each major category—Primary, Secondary, Interstate, Urban and Bridge—but particularly in the value of Interstate contracts. In fiscal 1964 Interstate contracts totaled \$15,709,763.39; in the fiscal year just ended the total is \$20,543,017.75.

The number of contracts awarded in each category and the contract award amount in fiscal 1965 is as follows: 19 Primary contracts at \$6,723,392.77; 6 Urban contracts, \$885,332.83; 23 Interstate contracts, \$20,543,017.75; 21 Secondary contracts, \$1,713,283.20; 22 Bridge contracts, \$1,628,559.28; 1 State Highway non-federal contract, \$144,111.50; 2 State and non-federal contracts, \$25,788.00; and 23 Maintenance contracts, \$669,899.15.

Rev. Jackson Bethel Church of the Nazarene

20 SECONDS WITH THE NAZARENE

Dr. Olin F. Stockwell, a missionary imprisoned by the Chinese Communists for 23 months learned the meaning of Ephesians 3:20. These things made it possible for him to survive, he says: The New Testament, the grace of God, and a sense of humor.

He looks back on this experience as a time when he received numerous valuable spiritual insights. Even while in prison he remained creative, writing poems, articles, and talks that he could use out of prison. This ambassador of Christ proved that life is what God and we make it.

—O. Ray Gordon
Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.
—Ephesians 3:20

SCHOOL NEWS

There will be no school for the children in kindergarten through Grade 3 of School Administrative District No. 44 on Tuesday, Sept. 14. On Tuesday, Sept. 14, at 8:30 in the morning all kindergarten-third grade teachers in the District will meet at the Ethel Bishop School in Bethel for a reading workshop. This workshop is being presented by the reading consultant, Mrs. Ross, of Economy Book Co. The reason for the workshop is to familiarize the teachers with the materials from this company that are being used in this district. Lunch will be served to the participants for a nominal fee.

ELDERLY URGED TO KEEP BLUE CROSS - SHIELD COVERAGE

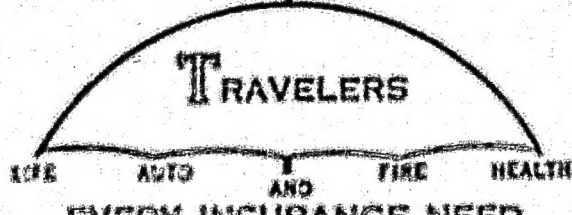

Blue Cross and Blue Shield subscribers over the age of 65 have been advised to keep their memberships in effect until at least July 1, 1966, the day the Medicare program goes into effect.

Approximately 47,000 persons over 65 in Maine have Blue Cross and Blue Shield protection. Richard P. Nelson, director of the Plan, commenting today on Medicare said: "Although President Johnson signed this measure into law on July 30, Medicare will not provide hospital coverage or the voluntary participation program for doctors' services until July 1, 1966. The Social Security Administration will soon begin contacting eligible persons and will furnish them with information concerning the new law."

Blue Cross and Blue Shield will continue to keep their members informed as details of the program's administration are worked out. "However," Nelson added, "for now we recommend that the best personal interests of our over-65 subscribers will be served by keeping their Blue Cross and Blue Shield memberships active until next July 1."

Miss Pamela Young returned to Bethel Sunday to continue school. Miss Young has spent the summer with her grandfather, Ralph Young, Main St. Mr. and Mrs. Robert Keniston and family have returned to their home on Chapman St., after spending the summer at Littlefield Beach, Locke Mills.

BETHEL RED SOX OXFORD LITTLE LEAGUE CHAMPIONS

Bethel Red Sox starting pitcher Steve Thompson belted a three run homer in the second inning to spark the visitors to an 8-5 Oxford County Little League championship victory over the South Paris Reds at South Paris last Thursday evening.

The two clubs each had won first place during the split season and needed three games to determine the play-off titlists. Paris won the opener 5-3 at South Paris but lost to Bethel, 3-2, Tuesday.

Chris Murphy followed Thompson and Dan Vogt to the mound for the Sox and squelched a come-back attempt by Paris in the final inning.

TRI-COUNTY RIDERS TO SPONSOR HORSE SHOW AT GRAY SUNDAY

The Tri-County Riders Club will sponsor a horse show to be held at Humphrey's Arena, on Route 26 in Gray. This show has been part of the Oxford County Fair for the past two years. But due to the acquisition of the Fair Grounds by the school department, the Club had to move to a new location.

The show will begin promptly at 11:00 a. m. on Sunday, Sept. 12. There will be 20 classes, including western trail horses, walking horses, and an old timers class for contestants over 40 years old.

Judging the show will be Fred Swasey of Scarborough. Other officials are as follows: show manager, Bud Kimball of Buckfield; show secretaries, Patricia Lesclere of Auburn and Hazel Littlefield of New Gloucester; ribbon secretary, Barbara Hobbs of New Gloucester; announcers, Don Dizenzo of Topsham and Bud Keenan of Lisbon Falls; ringmaster, Tom Cutler of Topsham; timers, Raymond Strout of Poland and Bill Yates of Poland.
